Dear Honorable Members of the CCSN Scholarship Selection Committee,

I am writing this letter on behalf of Mr. Mike Distefano. I have had the experience of instructing Mike in my Accounting 105 Individual Taxation class in the fall semester of 1999. He earned a grade of A-, and as a committed student, demonstrated the attitude and motivation, typical of an overachiever. He is talented and has a very engaging personality.

As an active member of the St. Anne Parish, I can personally attest to Mike's regular church attendance at Sunday Mass every week, without fail. He is a devoted Christian and very much committed to church activities. He knows his values and has never forgotten where he has come from.

His transcripts, overall academic record and personal accomplishments demonstrate his strong intellectual and academic capability. As such, I am confident of his future for scholastic success. His habits are in full conformity with those I know you seek for you scholarship recipients. I enthusiastically recommend Mike for a scholarship. If you have any questions, do not hesitate to contact me at 651-4151.

Sincerely,

Vicky C. Dominguez  
Associate Professor of Accounting
