

Welcome to your community college — the Community College of Southern Nevada — a college committed to creating opportunities for you and helping you to change your life — for the better.

You deserve the best we have to offer— at conveniently located campuses and at times that fit your work and lifestyle — and at a cost that fits your budget.

CCSN specializes in general college programs and in job training, classes that lead to two-year associate degrees, one-year achievement certificates, transferable college course work, or skill training to secure employment or professional advancement.

CCSN is becoming one of America's finest community colleges offering instruction in 70 career fields. Here's just a sampling of the College's programs, many of which offer high income potential in southern Nevada:

- Culinary/Gaming/Hotel & Resorts
- Computer Aided Drafting & Design
- Dental Hygiene
- Computer Information Technology
- Environmental Restoration
- Automotive Repair Technology
- Health Care & Medical Fields
- Criminal Justice & Paralegal
- Horticulture & Landscaping
- American Sign Language
- International Languages
- Performing & Fine Arts
- The Sciences
- Air Conditioning, Heating & Ventilation

Welcome and enjoy!

Richard Moore, Ph.D.
President
