To Whom It May Concern:

Mike Distefano was a student in my poker dealer class. Mike attended regularly, was always attentive and eager to learn, followed instructions well, and completed the course with a style and work ethic that I'm sure would put him in the top five percent of poker dealers. I would not hesitate in recommending him to any card room manager.

I'm sure that Mike will excel at anything he puts his mind to.

Sincerely yours,

Dan Paymar
