**National Bartenders School** has a database of thousands of bars and nightclubs all over the country. We contact them to find you a real bartending job. If there's an opening, our school will do our best to find it!

**There is NO better bartending school anywhere!**

Our lifetime Bartending Job Placement Service is **FREE** to our

bartending school grads. Our network of bartending schools allows us to work with other bartending schools **Nationwide**, to help you find a job if you move interstate. **(This service is also FREE!!)** Full and part-time bartending positions are available now. Bartenders are always in demand! Bartending at local bars, bartending at weddings, private party bartending and even managing a fast paced nightclub - bartending offers both **INSTANT MONEY** (tips pay nightly) as well as lucrative career option (good bartenders often make more money than most other professions).

Some of our bartending school graduates stay with their day jobs in other fields and bartend part-time in the evenings and on weekends. In fact, bartending is one of the **best part-time jobs** available to college students.

Our bartending school's job placement program offers assistance in finding a bartending job when and where you need work. We work with nightclubs, restaurants, major hotels, airports, sports bars, catering companies, stadiums and many other venues. We have placed **thousands** of our bartending school students.

Here is a very small list of some of the thousands of companies we have worked within placing our bartending school graduates:
