Dear Michael:

Congratulations. You have been selected, as indicated above, to receive honorary award recognition by having your biography published in the 23rd Annual Edition of *The National Dean's List, 1999-2000*. You are also automatically eligible to compete for a \$1,000 scholarship from the \$50,000 to be awarded this year.

*The National Dean's List* is the largest, most prestigious publication in the country recognizing gifted students selected by their deans, comparable faculty members or other educational organizations. Each year 2,500 of our nation's finest colleges and universities use the publication as a special award to honor their finest students.

You are also invited to use the Student Referral Service (SRS), a valuable reference service for students applying to graduate school or seeking employment. The SRS form and scholarship application will be sent to you after your Student Data Form has been processed. Additionally, each year approximately 3,400 newspapers nationwide publish announcements recognizing their local recipients. Please visit our Web site at [www.honoring.com](http://www.honoring.com) for a complete review of our programs and services.

We wish to emphasize that there are no financial responsibilities whatsoever attached to this award. Your biography will be published, pending review of your completed form. Since you may wish to have a copy of the book for your personal library, ordering information is included on your Student Data Form. Because this award represents a significant honor for your school, as well as yourself, please return your completed form for publication by July 11, 2000.

Best wishes for continued success,

  
Paul C. Krouse, Publisher

P.S. Only 1/2 of 1% of our nation's college students receive this award. We commend you for your accomplishments.
